ABOUT ME

I am a relatively new member but one experienced in dealing with welfare issues, particularly those around safeguarding of young people and vulnerable adults. For eight years I looked after welfare services at a London University. If there is anything that you are worried about on your own or others behalf please get in touch in complete confidence and we can work through it.

Alternatively, you can speak
to someone at

ChildLine 0800 1111
NSPCC 0808 800 5000
England Golf 01526 351851
